

Income Tax Law

Author : admin

The pages under this category provide information about the tax laws in Canada, as well as their interaction with international tax law and tax treaties where relevant.

The pages are organized by the type of taxpayer (individual, corporation, trust, partnership) with the exception that non-resident taxpayers are treated as one separate group irrespective of the organization type. The subcategories will then attempt to lead the reader through all of the relevant law in an organized, coherent, and understandable manner.

NOTE: The information provided herein is to be used and relied upon at your own risk. They are provided for educational purposes only. There is no guarantee that the information is up-to-date or that it pertains to any particular set of facts. If you require certainty you must retain the services of a tax lawyer.
