

ITA-Annotated Has Moved to IncomeTaxAct.ca

Author : admin

Dear Readers

In order to improve service speed and quality our website has migrated servers and URLs.

ITA-Annotated.ca/RecentDecisions **is now** IncomeTaxAct.ca .

Links to the old sites, including to specific posts and pages, will continue to be forwarded to the new site for one year. After one year, the old URL will be used to upload an annotated Income Tax Act while the new URL will continue to provide decision summaries and articles.

We appreciate your use and reference of the materials we produce. Please excuse any difficulty this may cause. Please update your links to the new URL to ensure your readers continue to have access our materials. You can use a bot to scan your site and automatically replace ITA-Annotated.ca/RecentDecisions with IncomeTaxAct.ca.

Thank you for your consideration.
